DESIGNING TOMORROW

Who is eligible

The scholarship is open to all self-funding applicants to the **September 2018** and **January 2019 intakes** of the Executive MBA programme who are employed by an NGO or a Non-profit organization and intend to remain in the sector. Candidates will only be considered for the award if they have successfully applied for and been admitted to the programme before the scholarship deadline.

Criteria for awarding the scholarship

The scholarship will be awarded on the basis of future professional and leadership potential, as demonstrated by the quality of the essay and the recommendation submitted in support of the scholarship application, as well as a 30-min face to face motivation interview. We will also be looking for candidates who can demonstrate a proven track record of success (educational and professional) through their Executive MBA programme application and performance at interview. The Scholarship Committee will review all elements of your application to assess your potential contribution to the ongoing success of the Executive MBA and commitment to ESCP Europe Business School through ambassadorial work.

Amount of the award

The scholarship amount is **€10,000**. It may not replace the down payment required to secure a place in the programme. The full amount of the award will be deducted from the balance of the tuition fees for the programme.

Judging panel

The judging panel is made up of members of the Admissions Committee and includes representatives from the ESCP Europe Faculty, the Executive MBA Programme Director, the Executive MBA Dean and Executive MBA Alumni. Successful candidates will be notified individually by December 10th, 2018 whether successful or not.
