

ESCP Europe seeks applications for an Assistant or Associate Professor position in Energy Management/Transitions. This position will be on the London Campus of the School with commencement in September 2019 and is tied to a Course Directorship role. Rank and salary offered will depend on the candidate's experience and academic achievements. Any appointment will be subject to immigration legislation within the UK.

Requirements

- A PhD (or equivalent international degree) in Energy Management or in related field.
- A demonstrated track record of, or demonstrated potential for, publishing Energy Management/Transitions research in top academic journals.
- A record of teaching excellence and commitment to teaching innovation.
- A record of research excellence in the field of Energy Management/Transitions.
- Experience of course management/directorship, preferably at postgraduate level.
- A strong background in sustainability challenges and energy transitions.

Responsibilities

It is anticipated that the successful applicant will contribute to discipline-based scholarship with outputs including peer reviewed publications at international standard. The successful applicant will assume course directorship responsibilities for awards linked to the discipline and will teach in our postgraduate and executive programmes.

Application details:

Please send your application by e-mail to Katia Barr (Senior HR Manager; kbarr@escpeurope.eu) with the following documents:

- i. a letter of interest (including a brief outline of the candidate's motivation);
- ii. a curriculum vitae;
- iii. a research and teaching statement;
- iv. teaching evaluations.
- v. a statement of right to work in the U.K.

Closing date: May 24, 2019

We will begin reviewing applications as they are received. If you have any questions about the role or application process, please contact Katia Barr (k.barr@escpeurope.eu), The London Campus Dean, Professor Dr. Simon Mercado (smercado@escpeurope.eu).

About ESCP Europe

Triple-crown accredited (EQUIS, AMBA, AACSB), ESCP Europe welcomes 4,000 students and 5,000 executives from 90 nations every year, offering them a wide range of general management and specialized programs. ESCP Europe Business School is further strengthening its unique international value proposition to students and the research community by growing in the disciplinary area of Energy. The School was voted U.K Business School of the Year in the 2018 Times Higher Education Awards.
