Management Accounting as Social and Organizational Practice

13th Workshop, 23-24 April 2020, Paris

We are pleased to announce the thirteenth Workshop on Management Accounting as Social and Organizational Practice (MASOP), to be held **from April 23rd to April 24th 2020** in Paris. The aim of the workshop is to bring together scholars in the field of management accounting and control who share an interest in understanding the social and organizational antecedents and effects of management accounting practice.

As in previous years, the workshop seeks to develop participants' research through critical discussion and to provide a forum for debate of emerging ideas and developments in practice and research. The workshop will feature 12 paper presentations (45 minutes each) and one plenary session. It is limited to 35 participants. Participants other than those presenting a paper are accepted on a first come-first served basis.

The deadline for **registration** is **March 16th, 2020**. Registrations will be made by email.

Submission:

Participants who would like to present a paper should let us know as early as possible. The deadline for **submission of full papers** is **January 31st, 2020**. Papers will be reviewed and notification of acceptance (or otherwise) will be given in February. Preference will be given to papers that relate closely to the theme of the workshop. We aim to create a balanced overall program, in terms of different theories/methodologies and a mix between emerging and more established scholars.
